Note:

1. The Council has taken a decision to conduct surprise inspection of training programme after grant of approval. During the surprise inspection, if the required infrastructure facilities are not found as per the report submitted earlier for the particular training programme, in such cases inspection team who have conducted inspection they may be de-listed from experts panel and their services will not be utilized further for any other academic activities of RCI.
2. As per para 7(viii) of RCI Revised Manual on Assessment of Training Institutions (available on the Council's website) that it is **compulsory to take photographs and video (unedited) during assessment** and to be submitted to this Council along with joint assessment report. Whereas, it has been observed that the visiting experts are submitting joint assessment report without videography. In order to bring transparency in the process of granting approval to institute, it has been decided that the entire process of assessment will be video-graphed. The following will be covered in the videography:
 3. Building including labs, library, classrooms and other facilities.
 4. Games & sports facilities.
 5. Process of teaching - learning in a few classes.
 6. Group photo of staff.
 7. Copy forwarded to above Institute **with a request to provide a copy of proposal submitted** with all the relevant information/records required for assessment/inspection.

Therefore, all the institutions must arrange the videography of entire process of assessment at their own cost and provide the same in CD/DVD/Pendrive to the visiting experts at the end of the assessment. The visiting experts in turn will submit the same along with joint assessment report to this Council. Report without Videography will not be entertained.

Encl.: - 1. TA Form (Rail/Air tickets and other travelling details in original may kindly be submitted)

2. Copy of Norms, guidelines and format of Joint Assessment Report
