## ABOUT

MGM School of Biomedical Sciences, Aurangabad.

### STUDENT COUNCIL

- Students are the part of various academic and administrative bodies such as anti-ragging committee, grievance committee and sexual harassment committee etc.
- This council is one of them “STUDENT COUNCIL”. It plays a pivotal role in gathering student feedback in curricular activities, adhering to the code of discipline and maintaining hygiene on the campus and participate in activities of social cause. Leading such activities of the council throughout the year by shadowing the faculty members grooms the student personality to evolve as socially responsible, environmentally, economically and among the student and between the students, faculty and staff members brought about by the Student Council is highly conducive in building the overall healthy atmosphere at MGM School of Biomedical Sciences.

## **OBJECTIVE OF STUDENT COUNCIL**

With the objective of developing the leadership qualities and for personality development of students, an active student council is in force along with a strong representation of students in the academic and various administrative bodies/committees. It also aims at fostering the spirit of teamwork among the students. Student council is a vibrant body constituted by student representatives. Student council is composed of general secretary, vice general secretary, cultural, creativity and sports secretary. These are supervised by a board of able student council advisors, and finally advised by the head of the institution. Also students along with the faculty members of the institute are the members of various college committees which are meant for the students. The student council conducts various activities for student welfare which includes:

- Cultural and sports activities
- MGM Olympics
- Celebration of important days
- Celebration of religious and non-religious festivals
