Subject: Summer Internship for BSC Clinical Psychology

Dear Sir/Madam,

Greetings from Amity Institute of Behavioural & Allied Sciences (AIBAS)!!

To facilitate experiential learning students are required to undergo Internship Programme in hospitals, schools, college, rehabilitation institutes, NGO's, Corporates, etc. The internship is a crucial part of the course for the students to get first – hand experience of real –life settings and develop professional skills required.

We have heard about the good reputations and opportunities provided by your esteemed organization. We have recommended the same and will be very thankful if you kindly consider **Ms. Shinde Vedika Moreshwar** completing his/her course in **2020to 2023, B.Sc. (Clinical Psychology)** to work under the guidance of one of your professionals, for a period of 15 to 30 days. The student will maintain a daily diary of the work assigned and where patients/case observation is involved complete anonymity will be maintained.

The person designated as student supervisor at your organization will assess the student on five Point grading scale i.e. Poor-1, Average-2, Good-3, Very Good-4, Excellent-5

On completion of the internship, you are requested to **issue a formal letter or certificate** (Sample Certificate attached with the mail) stating that student has completed his/her internship at your organization/institute/clinic with the respective grade as assigned by you. Failing to submit this letter/certificate student's internship will not be considered valid.

We would greatly appreciate your consent to our request. We look forward to establish a long term relationship with your esteemed organization.

Thanking you,
Sincerely,

Dr.N. Tawfeeq Alea
Assistant Professor
Internship Coordinator

Dr. Gautam Gawali
Professor and Director
(AIBAS)
