## NO OBJECTION CERTIFICATE

April 12, 2021

This is to certify that **UPADHYAY MANSHA** bearing school Registration No. **201501030**, is an undergraduate student in the Bachelor of Medicine & Bachelor of Surgery (MBBS) program, having completed 5 Years (October 2015 - June 2020) in English Medium, and is currently studying in the 10<sup>th</sup> semester at the School of International Studies of Wenzhou Medical University.

To fulfill the requirements towards obtaining an MBBS degree, Wenzhou Medical University (P.R. China) has no objection to the student pursuing a year of compulsory internship (with rotation through relevant departments) in China or any other country provided the hospital/institution is recognized by the medical council of the respective country and internship rotations also conform to the norms of the medical council concerned. The internship program spans 52 weeks.
