Kamothe, Navi Mumbai - 410209

All JRI, JR-II, JR-III Resident Doctors have given statement to the Committee that they have no clue of that. All of them denied, that any form of harassment or Threatenings like continuous Calls etc. or work pressure from the Department of Anaesthesiology any o the faculty..

**After the interrogations, the Committee members have given their views about the Complaint as follows :**

All members of the Committee clearly pointed out that this is not to be considered as ragging. Due to work pressure and the adjustment problem in work place to do clinical duties.

Dr. Nath also supported to that One Full batch who all are supposed to come in April-May 21 has joined in Feb-March 2022. This may have caused a lot of work pressure in all departments among Resident Doctors., which is to be noted

Dr. Shilpi felt that this incident is not under preview of ARC, however going to the grievous nature of the complaint the issue has to be handled sensitively and the entire batch has been counseled separately.

Dr. Ghanekar madam told that all resident doctors should be further counseled to address work pressure and personal issued with faculty at regular intervals. Mentor Mentee meeting should be more frequent.

The Police Officer Madam has shared her contact number with all the PG Students, that if they want to share any issue regarding the complaint, they are free call any time and share their problem related to this complaint.

**Dr. Vishwas Sathe & Dr. Deepika Sathe** Faculty from Anaesthesiology has been called and interacted by ARC on the same day after interactions with students. The Nodal Officer read the Complaint to him and asked about the explanation and views:-

## FINAL RECOMMENDATION OF INSTITUTIONAL ANTI RAGGING COMMITTEE

The Committee is of the opinion that there is no ragging. This issue seems to be of complaint due to work/ exam pressure and the adjustment problem with Faculty and In addition due to Covid situations, the Junior Resident Batch 2021 has joined the College from Feb. 2022 instead of May 2021 due to delay in Govt MCC admission for MD/MS 2021 .

1. All the Juniors have been counseled .
2. Duty Roster should be checked and monitored by HOD to strengthen work pressure amongst Resident Doctors.
3. Inter Departmental meeting should be conducted routinely and allow them to share all the complaint and their problems with PG Guide/ Mentor/ HOD in time & minimum once a month so that they are relaxed in their issues of personal and work and do their residency more efficiently.
4. The Committee arrived at the conclusion that the allegations against Dr. Vishwas Sathe & Dr. Mrs. Deepika Sathe has no substance, Hence they may be allowed them to continue their duties asemergencies and OT Services.

The meeting end with vote of thanks to the Chair.

Respected Sir/madam, [I have not suffered any things mentioned]

I think that the statements in the letter are completely "made-up" and are untrue. Our faculty and Seniors are very humble, respectable and caring people. They allow us to have good amount of breaks. The whole department is very co-operative. Dr. Sathe sir and pr. Sathe ma'am are very caring, they teach us and help us be better doctors. Our HOD sir is the ~~per~~ most caring HOD sir I have come across. They help us with a lot of things.

I am personally upset with this complainant for tarnishing our department. I request the chairperson to take into account the general opinion
