Navi Mumbai

Kind Attn: Dr. V. J. Mahadik

Sub: Appreciation

Ref: School Health Examination in Tilase, Palghar District

Dear Madam,

This has reference to the School Health examination held on (16.2.18) at Tilase Gaon between 10 hrs. to 18 hrs. The school has benefitted from the Health Examination of School Children, which is located in the tribal area and also patronized by the children of tribal population. Health services like School Health Examination are generally inaccessible to the school going children particularly in tribal areas.

Rotary Club of Smart city, Navi Mumbai decided to reach these children and requested UHTC Department of Community Medicine, MGM Medical College to collaborate with the Rotary Club for organizing such an examination. UHTC, mobilized a team of Doctors, Para Medical staff including Nurses, Laboratory technician and specialists for purposeful School Health Examination.

Rotary Club of Smart city, Navi Mumbai has no hesitation to record its deep appreciation for the cooperation by the UHTC in organizing school health examination of deprived children.

Rotary Club looks forward to similar association in times to come.

With Best Wishes,

Dinabandhu Patra
(President 2017 - 18)
