

Annexure-71 of AC-51/2025

VALUE ADDED COURSE-16 hours

Advanced Neonatal Resuscitation

DAY 1

| | |
|----------------------------|-------------------------------------|
| 9am - 10am | Introduction |
| 10—12 pm | Decoding the algorithm |
| 12-12.15pm | BREAK |
| 12.15 pm—1.30pm | Preparedness for birth -PCL1 |
| 1.30 pm to 2 .15 pm | Routine care -PCL2 |

DAY 2

| | |
|------------------------|---|
| 9-10am | Initial Steps of Resuscitation -PCL3 |
| 10-12pm | Observational care -PCL 3 |
| 12pm-12.15pm | BREAK |
| 12.15---1.30 pm | PPV --PCL 4 |
| 1.30---2 .15 pm | Intubation –PCL 5 |

DAY 3

| | |
|-----------------------|---|
| 9-10 am | Cardiac compression –PCL 6 |
| 10-12 pm | Drugs –PCL 7 |
| 12pm -12.15 pm | BREAK |
| 12.15 – 1pm | 1 Scenario simulation & Debriefing |
| 1 pm -2pm | PET |
| 2—3pm | Conclusion and open discussion |

PCL –Performance check list

PET –Performance evaluation test

PPV – Positive Pressure Ventilation

Basic NRP—Professional developmental course -6 hrs

| | |
|-----------------------|---|
| 9am -9.30 am | Introduction |
| 9.30 -10.30 am | PCL 1--Preparation for birth |
| 10.30-11.30 am | PCL 2- Routine care |
| 11.30-12.30 pm | PCL 3-Initial steps of resuscitation |
| 12.30 -1.00 pm | LUNCH |
| 1.00 -2.00 pm | PCL -PPV |
| 2 00 -3 pm | PET and Conclusion |

PCL —Performance check list

PET —Performance evaluation test

PPV — Positive Pressure Ventilation
